largest transport out of the six now in port, coaled in a harry and moved her berth to the wharf, where passeager embarkation usually takes place. She is fitted up for infantry

When the Dapont came la Monday It was given out that the fast torpedo boat needed repairs, but an inspection of the vessel in dry dock did not disclose any material damage, and i is almost a certainty that she is here really for the purpose of assisting in coayoying the troops to Cuba This is given color by the fact that the Dupont was not alone up to the time she arrived off Sand Island Light.

Two large vessels were seen cruis ing around the outside after the Dupont came iato the bay and an investigation by a ting boat eaptain SCHLEY HAS CERTAINLY WON A VICTORY.

COIN FOR PATRIOTS.

Washington, June 1 .- l'aymaster General Staaton, of the army, authorizes a specific denial of the reported negotisticas for the acquisiof large numbers of Mexican dollars ron withdrew, however, when the for the payment of troops sent to the Spanish frontlads injured the auxili-Phillippines.

The report that this was contem plated probably arose from the fact that such a suggestion had been made

to the war department. The paymaster general asserts that there is no desire on the part of the government to pay its soldiers la depreclated coin, but that they will be pald in gold and silver of the United

FRIENDS ACROSS THE SEA.

Washington, June 1 .- Ambassa dor Hay informs the state department the following resulution was unanimously adopted by the Churchmen's union of England May 11:

Resolved, That this meeting of liberal churchmen extends its fullest sympathy to the president and citizens of the United States in their effort to accure good government in Cuba and trusts that in future years the tles of brotherhood between America and Great Britain will be

ONE VAST REPUBLIC.

A Startling Suggestion by the Retiring Minister From Brazil as to This Hemisphere.

enhor Mendones, in a Speech to the President, Expresses the Hope That All America May Unite la One Federation.

Washington, June 1 .- Senhor Salcador de Mendonea, who had represented Brazil in Washington in the capacity of minister since 1881, some days ago presented his letter of recall, preparatory to being transferred to Lisbon, Portugal. The ceremony, which is usually little more than an idle form, was In this case remarkalde from the magnificent tribute paid to our great republic by Seuhor Men donea, who, having occupied the post of consul general of Brazil at New York for many years preceeding his accession to the ministry, has had more abundant opportunity for just criticism than falls to the lot of most liplomatic representatives.

The minister said: "Mr. presideat, hoping that your excellency may concur in the belief expressed charged the duties of my mission in nn agreeable manner to your governs ment, and adding to the expression of the best wishes of the president of Brazil for your bappiness and for the prosperity of your country, my personal good wishes, I might consider closed my official address.

"But friends do not part in the merely. Moreover, my debt of Rev. Gilbert Dobbs, formerly pas- gratitude to your people and government for the treatment which I have idence of aimost a quarter of a century, is so great that I can not take my leave without expressing to the first citizen of this mighty republic my heartfelt appreciation of your lienevolence toward a student of your institutions and an admirer of the A Great Volley of Summer high character of your Nation.

"Opening your country since the Colonial times as a land of refugees, establishing your commonwealth on the solid foundation of the freedom of conscience; giving to the world Paid incense to thy glory-the Spauthe principles of the Declaration of Independence; affirming by the consolidation of the l'nion and by the abolition of slavery, that this continent was thenceforth consecrated to liberty, your people has come to the The voice of freedom to the Eastern front rank as a powerful factor of modern civilization.
